Subject: Independence Drive From Abbott Road to Colony Loop

Rebecca,

Thank you for including People Mover in the early design considerations for Independence Drive. We have bus stops northbound and southbound on Independence at Colony, Vanguard, Sentry and at Abbott Road. Only the northbound bus stop at Brigadier has an improved boarding pad.

Please include 8 by 30 foot boarding pads at the design locations for the bus stops along this route. A pedestrian scale light with the bus stop sign and schedule holder should be included at the far end of each pad.

We look forward to improved bus stops for our customers in this high density area.

Alton Staff, Operations Supervisor

People Mover 343-8230
