

CRW Engineering Group, LLC
Willy Van Hemert
Annual Engineering & Geomatics Scholarship

CRW Engineering Group, LLC (CRW) is seeking candidates for their annual engineering scholarship. CRW will award a minimum of two (2) scholarships of \$2,500 each. It is desired that the recipients attend a CRW company event in May or June to accept the awarded scholarships.

Requirements for Application:

- Alaska Resident.
- Full-time, undergraduate or graduate student, with at least junior standing for Fall 2022 semester, and enrolled in an accredited civil/mechanical/electrical engineering or geomatics program.
- Cumulative G.P.A. of 2.5 or greater.
- Submit complete application, with all required signatures, on or before **November 15, 2021** via email to scholarship@crweng.com

If you do not meet all the criteria above, please still apply! Additional consideration may be given based on the merits of the applicant such as family situations, work load, volunteer activities, etc.

Please do not send items such as resumes or reference letters. They will not be sent to the selection committee.

Scoring:

- Completed Application – 5 points
- Academic Achievement – 5 points
- Community and School Involvement – 10 points
- Experience Related to Degree – 10 points
- Essay– 20 pts
- Additional Merit– 5 pts
