

CRW Engineering Group Willy Van Hemert Annual Engineering & Geomatics Scholarship

CRW Engineering Group, Inc. (CRW) is seeking candidates for our annual engineering and geomatics scholarships. CRW will award a minimum of two (2) scholarships of \$2,500 each, to be presented at a CRW company event in May or June of 2025.

Requirements for Application:

- Current Alaska Resident or graduated from an Alaska high school.
- Undergraduate or graduate college student for Fall 2025 semester, enrolled in an accredited civil/mechanical/electrical/geotechnical engineering or geomatics program.
- Cumulative G.P.A. of 2.5 or greater – *must provide unofficial transcripts with application.*
- **Submit a complete application with all required signatures on or before January 10, 2025, via email to scholarship@crweng.com**

If you do not meet all the criteria above, please still apply! Additional consideration may be given based on the merits of each applicant, such as family situations, workload, volunteer activities, etc.

Please do not send items such as resumes or reference letters. They will not be sent to the selection committee.

Scoring is based on:

- Academic Achievement – 10 points
- Community and School Involvement – 10 points
- Work/Volunteer Experience – 10 points
- Essay – 15 points
